

Thriller (Michael Jackson)

Darkness falls across the land

The midnight hour is close at hand

Creatures crawl in search of blood

To terrorize your neighborhood

And whosoever shall be found

Without the soul for getting down

Must stand and face the hounds of hell

And rot inside a corpse's shell

The foulest stench is in the air

The funk of forty thousand years

And grizzly ghouls from every tomb

Are closing in to share your doom

And though you fight to stay alive

Your body starts to shiver

For no mere mortal can resist

The evil of the thriller"

Ahahahahahahaha

It's close to midnight

Something evil's lurking from the dark

Under the moonlight

You see a sight that almost stops your heart

You try to scream

But terror takes the sound before you make it

You start to freeze

As horror looks you right between your eyes

You're paralyzed

'Cause this is thriller

Thriller night

And no one's gonna save you

From the beast about to strike

You know it's thriller

Thriller night

You're fighting for your life

Inside a killer thriller tonight, yeah

Ahahahahahahaha

I'm gonna bring it tonight

Ahahahahahahaha

You hear the door slam

And realize there's nowhere left to run

You feel the cold hand

And wonder if you'll ever see the sun

You close your eyes

And hope that this is just imagination

Girl but all the while

You hear a creature creeping up behind

You're out of time

'Cause this is thriller

Thriller night

And no one's gonna save you

From the beast about to strike

You know it's thriller

Thriller night

You're fighting for your life

Inside a killer thriller tonight

Ahahahahahahaha

I'm gonna thrill ya tonight

Get up, get up

Darkness falls across the land

The midnight hour is close at hand

Creatures crawl in search of blood

To terrorize your neighborhood

And whosoever shall be found

Without the soul for getting down

Must stand and face the hounds of hell

And rot inside a corpse's shell

I'm gonna thrill ya tonight

I'm gonna thrill ya tonight

Ooh, babe

I'm gonna thrill ya tonight

'Cause this is thriller

'Cause this is thriller

'Cause this is thriller

'Cause this is thriller

Get up, get up (I'm gonna thrill you tonight)

I'm gonna thrill you tonight

I'm gonna thrill you tonight

I'm gonna thrill you tonight

'Cause this is thriller
