

# Jack and Jill

Jack and Jill

Went up the hill,

To fetch a pail of water;

Jack fell down

And broke his crown,

And Jill

came

tumbling

after.

## INVESTIGATION:

To report on a story you have to answer some simple questions.

What?

Who?

Where?

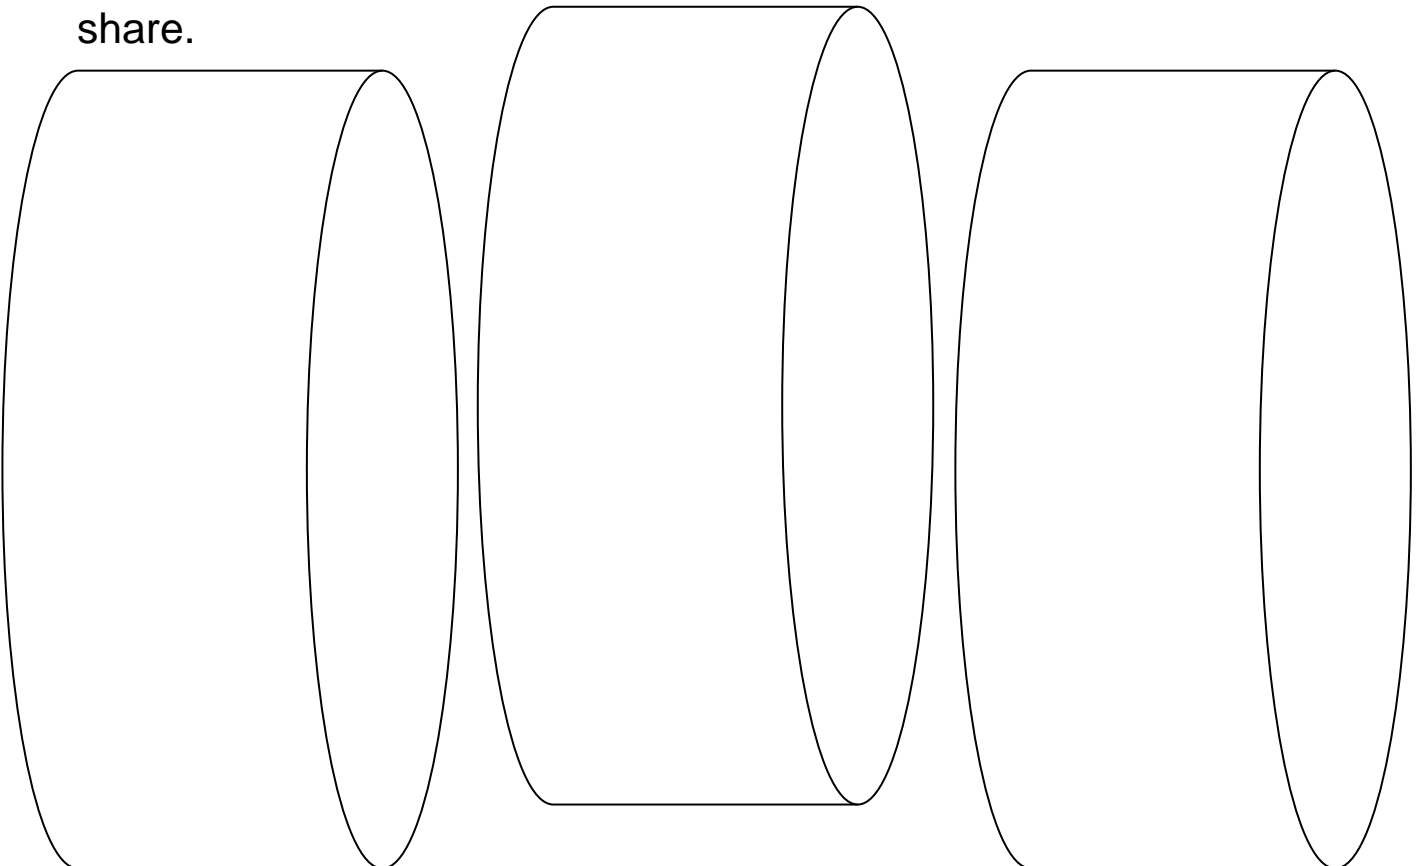

When?

How?

(How many/much/long/high/[adjective]?)

Why?

Your task is to find out as much as you can about this traditional activity. Answer the questions in the cheese below and on the other side of the page and add any more information you would like to share.

Three large, empty, rounded rectangular boxes are arranged horizontally, intended for students to write their answers to the investigation questions. Each box is a simple line drawing with rounded corners and a vertical oval shape on the right side, giving them a three-dimensional appearance like a shallow box or a container.
