

- Good morning: Tuesday 17th March 2020

Make my neighbourhood better

What can I do?

What is the name of your neighbourhood?
What is the postcode?
What are the most important streets?
Is there anything in your neighbourhood
that everybody in Zaragoza knows?

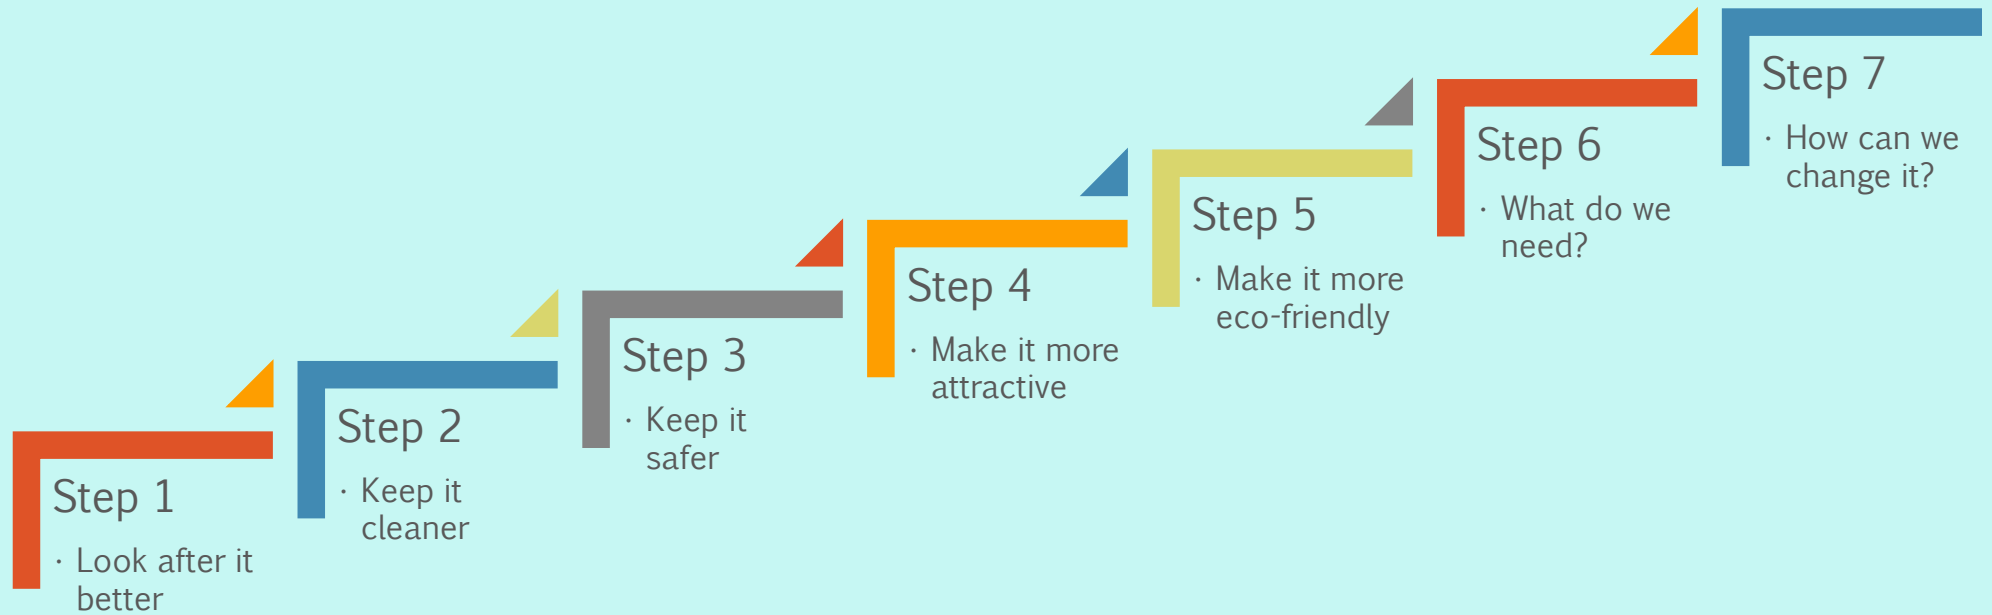

Make a list of all the things you can find in your neighbourhood.
As you can't leave your house, you have to use your memory.
You can use Google maps to help if you want.

- Make a table in your notebooks

Shops	Bars	Restaurants	Parks	Etc	Etc	Etc

Make a Powerpoint presentation or write in your big notebook explaining all the things we can do to make it better. Follow the steps

When you have finished the presentation you need to check it and then send it to me. (Google Classroom or photo)
